Dear Youth Leaders,

For those of you who are new to SF (Spring Folly), we are Northern Ontario's premier Christian youth retreat and have been enriching the lives of youth for over a quarter century. Every year, on the last full weekend in April, teens and their youth leaders gather at Central Algoma Secondary School (CASS) in Desbarats, Ontario (30 min. east of Sault Ste Marie). It's a weekend of great music from popular Christian bands, great teaching from some of North America's most gifted youth speakers, great food and great fun. We look forward to seeing you this year!

If you have any questions about Spring Folly, please contact SF Coordinators, Josh and Aline Ableson at ajableson@gmail.com or 705-782-6508.

The Speaker: Joey Molloy

We're excited to have Joey Molloy back as our speaker at Spring Folly 2018. Joey spoke at SF2012.

Joey was a youth pastor at First Baptist Church in Sault Ste. Marie for a number of years before serving in the same role at The Met Bible Church in Ottawa until recently. He's now the Ministry Director at Camp Cherith Lanark.

Joey pulls no punches when he speaks to teens and yet they respond well to his teaching. We're looking forward to what the Lord lays on Joey's heart to share with us at SF2018.

Brett Myers, Illusionist

Saturday, April 28, 2018 – 8:00 p.m.

Instead of a concert, we're having a magic show this year. Illusionist, Brett Myers, will be wowing us with his illusions, and then showing us how easy it was for him to deceive us into believing it was real. His goal is to unmask the deception in our culture today and present the real, supernatural, Jesus Christ. Brett wants us to know that we must trust our faith in God and not our faulty perceptions or experiences.

Seminars

Seminars have always been a key part of Spring Folly. We work hard to provide a variety of seminars on topics of interest to youth. Past seminar topics have included: Purity and Holiness for Boys, Purity and Holiness for Girls, Worship in Song, Missions and others. We also welcome your ideas for seminar topics, feel free to send us an email at ajableson@gmail.com to tell us about your seminar ideas.

Everyone is required to sign up for a seminar Saturday afternoon. Sign up sheets for seminars are available at registration.

Bible Quizzing : Philippians

Register your quiz team **BY APRIL 8TH** by emailing the SF Quizmaster, Rod Martin at rod@pennyjar.ca.

(Please provide the number of teams you have – up to two, the name of each team, and the names of the coach & teens on the team. If you have one team that is stronger than another, please tell us which is your A-team and your B-team.)

Bible quizzing is a highlight of SF and many committed youth dedicate their time to memorizing God's word. Hiding God's word in your heart is a powerful way to connect to the Lord. As youth leaders, we've seen how having the word in their minds and hearts has strengthened kids relationships with God.

Quizzing takes a great deal of time and dedication on the behalf of both students and coaches. We praise the Lord for all who commit to glorify Him by dedicating their efforts to quizzing. This year's quiz examines the book of **Philippians**. A copy of the quiz rules and registration form can be downloaded at www.springfolly.com, click on the Quiz tab.

Studying the quiz chapter as a whole youth group is a great way to help the quiz team as well as to build excitement about quizzing. Some youth groups have even challenged their congregation to a pre-Spring Folly quiz-off. Members of the congregation memorize the passages and quiz against the quiz team. What a great way to prepare! **Please note that answers and quotes will be from the ESV (2011 edition onward).**

Other Activities: Sports, Games, Video Game Tourny & Art Competition

SF has a wide variety of activities throughout the weekend to keep your teens engaged and to provide a chance for you to connect with them in some healthy competition: **On Friday** we have games in the gym to get everyone warmed up for a weekend of fun and excitement.

Saturday: There are a range of sporting activities to choose from; **basketball & volleyball tournaments**, and pick-up road hockey. Be sure to register for sports tournaments during Friday night registration. In addition to the sports, there is an art and games area open during free time. There will be an **art competition**, involving one media type (announced at Spring Folly), for those who want to be creative at the retreat. Plus...get your thumbs ready to wiggle! The SF **video game tournament** is fun for all! Remember to sign up for the tournament at Friday night registration.

Accommodations

The majority of groups who come to SF travel a significant distance and require accommodations for the duration of the weekend. There are accommodations to be had at CASS, but these are somewhat limited. We encourage you to register as early as possible to ensure that you can be accommodated at the school. In addition to CASS, we can also make arrangements for groups to stay at area churches, but because we require special permission for this, we urge you to register early to ensure you have somewhere to stay.

Those youth who require lodging MUST be accompanied by youth leaders. Completing a group registration form and submitting it early will assist us in assigning accommodations.

Food

During the weekend you are sure to build up quite an appetite as you participate in our many events. Our staff is ready to fill you up with a wide range of delicious meals. All meals are served buffet style and provide a balanced variety of nutritious options. Each meal time provides a good selection of fruit and vegetables. Due to the large number of people being served, we cannot make accommodations for specific diet needs.

Once again, during intermission on Friday night we will be providing a light snack for all to enjoy.

If you get hungry between meals or just feel like munching on a little something, SF has a tuck shop that is open for the duration of the weekend. Our shop has a variety of beverages, snacks and popcorn for purchase.

Please be advised that CASS is a school and as such has a nut sensitive policy in place. We ask that you notify your youth that they are the only "nuts" permitted in the building

Youth Leader Responsibilities

All youth leaders attending the weekend must be 21 years of age or older in order to qualify for the youth leader rate. Sorry if you happen to have junior youth leaders who are younger than 21, they will have to pay the youth rate.

Each youth group is responsible for their youth and we ask that you have a ratio of one youth leader to every seven youth.

Leaders are responsible for supervising their young people during the course of the weekend. Know where your students are at all times and ensure that they are complying with the SF rules.

As leaders, you are responsible for the discipline and safety of the young people in your group. As such you are responsible for contacting parents in the event of disciplinary action or a medical incident.
